Remote repairs may require additional monitoring equipment. Remote monitoring may not be possible for all devices. System repairs subject to manufacturer warranties. New programming and system upgrades are billed at current rates. Travel charges may apply for site visits greater than 20 miles from our headquarters. Service hours may vary depending on your home's gated community access rules. See agreement for details. Terms and conditions subject to change with 30 - day notice. After hours / holidays service available for \$250.00 per hour. Non plan services hourly rated at \$210.00 /hr. Plan members hourly service \$195.00 /hr.

System Requirements: All monitored site locations must have an OVRC enabled router and devices must be connect to a WattBox power supply or POE Network Switch. Out of date equipment will be determined per client. Equipment Racks or component cabinetry must have proper venting / cooling with recommended filtration.
